Disclaimer
 The maps and documents included in this planning study are to be used for
 comprehensive planning purposes only as reference material provided for
 laypersons, whether they are public officials or members of the general public.
 Recommendations for infrastructure improvements in this study, which are
 derived from engineering studies, or project cost estimates prepared by an
 engineer, are cited as such. Under no circumstances should material
 contained within this study regarding improvements to the City's infrastructure
 be construed as a detailed engineering plan, specification, engineering design,
 or any other type of document intended for the purpose of specific public
 work construction. The municipality and/or governing agency is responsible
 for obtaining the services of a licensed professional engineer to perform
 engineering design services for the construction of public works projects
 as required by the Texas Engineering Practice Act.

The lot, right-of-way, corporate and extrateritorial jurisdiction boundaries
 depicted on these maps were derived from readily available information such
 as existing corporate maps, census maps, or plat maps from the County
 Clerk or Appraisal District and are representational in nature. Locations and
 characterizations of infrastructure, facilities, and structures depicted on these
 maps are approximate. The City and GrantWorks, Inc. do not intend to
 establish or confirm true and legal boundaries or exact locations of physical
 objects with these maps and do not warrant or approve the use of these maps
 for any purpose other than general reference and information.
