Disclaimer
The maps and documents included in this planning study are to be used for
comprehensive planning purposes only as reference material provided for
layers, whether they are public officials or members of the general public.
Recommendations for infrastructure improvements in this study, which are
derived from engineering studies, or project cost estimates prepared by
an engineer, are cited as such. Under no circumstances should material
contained within this study regarding improvements to the City's infrastructure
be construed as a detailed engineering plan, specification, engineering design,
or any other type of document intended for the purpose of specific public
work construction. The municipality and/or governing agency is responsible
for obtaining the services of a licensed professional engineer to perform
engineering design services for the construction of public works projects
as required by the Texas Engineering Practice Act.

The lot, right-of-way, corporate and extrateritorial jurisdiction boundaries
depicted on these maps were derived from readily available information such
as existing corporate maps, census maps, or plat maps from the County
Clerk or Appraisal District and are representational in nature. Locations and
characterizations of infrastructure, facilities, and structures depicted on these
maps are approximate. The City and GrantWorks, Inc. do not intend to
establish or confirm true and legal boundaries or exact locations of physical
objects with these maps and do not warrant or approve the use of these maps
for any purpose other than general reference and information.
