Honorable Mayor and City Council
120 East Caney
Wharton, Texas 77488

Honorable Mayor and City Councilmembers:

Forwarded herewith in accordance with the City Charter is the Fiscal Year 2020-2021 Adopted Annual Budget. The budget document is the result of considerable work by the City staff and the Mayor and City Council who provided the necessary input to balance the budget while maintaining the appropriate service levels.

There were many challenges to overcome, but a voter approval property tax rate of \$0.43726 was used in preparing the adopted budget. The budget does not include the elimination of any filled positions within the City. The adopted budget for the water and sewer utility fund does include an increase of ten (10) percent to utility services and a solid waste increase of three (3) percent.

The 2021 overall budget of \$16,830,376 is \$1,739,649 more than the 2019-2020 budget.

MAJOR INITIATIVES

The City's most important initiative continues to be to provide flood reduction improvements in the City. The United States Army Corp of Engineers (USACE), has secured funding for the construction phase of the flood reduction project which is approximately \$74 million. The City is in the process of acquiring all necessary real estate for the flood reduction project. The USACE has set a construction date time of Spring of 2021. The City will be responsible for all maintenance and costs associated with the levee for all future years and must plan accordingly in order to comply with USACE standards which will be in force.

Another major initiative within the City is the FM 1301 Extension and Overpass Project. The City is completing the final design of the overpass project. TxDOT and the City are working together on this project through an advance funding agreement. The City engaged IDC, Inc., an engineering firm to develop plans and specifications for this project. The City continues to pursue funding for this important project. TxDOT will be responsible for the construction phase of the project. It is anticipated that construction should begin May 2021.

The City is also in the process of constructing a new water plant that will insure the City's ability to continue maintaining the TCEQ's requirement and the City's future growth. Funding of this project is being provided by a loan through the USDA Rural Development

agency. The construction of the new water plant is set to begin Spring of 2021, The City has also identified infrastructure improvements to the City’s utility, street and airport departments.

Other initiatives include the continued efforts to improve housing, economic development, and infrastructure needs identified by the City Council. The City is actively pursuing other grant opportunities for both housing and infrastructure. The City will continue to work with developers willing to invest their capital in the City of Wharton.

The City currently has other ongoing projects funded through Federal and State funds which will keep the budern off of the local taxpayer.

ENTERPRISE FUNDS

There are five enterprise funds for the 2021 fiscal year. This reporting approach gives the Mayor and City Council and citizens a better view of financial operations for the water and sewer, solid waste, emergency medical services, civic center and airport operations.

The Water and Sewer Fund provides for the delivery, billing and collection of water and sewer services provided throughout the City. Revenues are projected at \$4,796,013. The Water and Sewer appropriations are \$2,382,766 which includes administrative costs of \$179,015, planning costs of \$204,322, water operations of \$1,151,795, and sewer operations of \$851,634. The administrative costs are allocated at 58%. Also, the water/sewer fund will transfer \$100,000 to the Capital Improvement fund for street and drainage improvements. The amount appropriated for depreciation is \$626,110 with interest expense being \$231,254. This amount of depreciation will allow the fund to build reserves to handle some of the capital needs in the future. The Water Sewer Fund will also transfer \$100,000 to the General Fund to reduce the outstanding payable. Also included is \$385,339 to USDA for the funding of the water well project.

The Solid Waste Fund is established to account for the billing, collecting and expenditures associated with the City's contract for solid waste services with Waste Corporation of America. The fund is budgeted at \$1,546,177 in revenue. Appropriations of \$1,546,177 include \$86,007 of franchise taxes to the General Fund and \$47,653 to provide a full-time employee for City beautification efforts. The adopted budget includes a 3% increase.

The Emergency Medical Services Fund is established to account for the sources and uses of funds generated from providing ambulance and emergency medical services. Revenues from user fees are budgeted at \$721,000. Additionally, the Wharton County Emergency Services District No. 3 was authorized by the voters to provide EMS services in East Wharton County. The District will fund \$1,641,705 to the City to provide the EMS service through an Interlocal agreement. PERSONNEL

The adopted budget includes 106 full-time positions for the 2020-2021 fiscal year.

The City's total base payroll for the year is estimated at approximately \$5.6 million. The City will continue to cover 100% of full-time employees' health benefits with the City experiencing a 5% increase in contributions to the TML Multi-State Intergovernmental Employee Benefit Pool.

CONCLUSION

The 2020-2021 adopted budget is a significant document as it sets forth the financial plan for the next year. The primary goal was to balance the budgets while continuing to maintain service levels and not eliminating any positions that are currently filled by employees of the City.

This budget has been prepared and presented with the efforts of the Mayor and City Council and all departments and their assistance is appreciated.

Sincerely,

Andres Garza, Jr.
City Manager
