

Dear Valued Customer:

We at GFL are excited for the opportunity to continue to provide world-class solid waste collection services to the City of Wharton. Below you will find some important information regarding what to expect and a few things we are asking of you now that you have received your new poly cart.

## What to Expect

Each residence will receive one (1) new poly cart for normal garbage. Also with this welcome letter, you will find some new information about the City's solid waste collection program with a reminder of your service days and our holidays.

## What to Do

### When to start using your new cart

Now that your cart has been received, please start to use your new poly cart for regular trash collection. Please note that we will only empty your poly carts on your regular trash day. Bulky items or yard waste that do not fit within your poly cart will be serviced once weekly on your scheduled bulk day. Your service days are not changing.

For questions or concerns about your cart delivery please contact GFL Environmental at **(281) 368-8397** or [gflcshouston@gflenv.com](mailto:gflcshouston@gflenv.com)

You can visit [www.cityofwharton.com](http://www.cityofwharton.com) (drop down list under departments, select solid waste) for service collection day information and guidelines for solid waste, yard waste, and bulky collection services can be found there as well.

**Solid Waste Cart**  
"Trash Only"

**Cart Placement Guidelines**

- Place your cart at the curb with the wheels facing your house and the lid opening toward the street.
- Keep your carts 4 feet apart and at least 4 feet from any obstacles such as mailboxes, cars, or lamp posts
- It's generally best to place your cart out the night before your collection day.
- Keep your cart at the curb until the end of the day. Sometimes the timing of our arrival changes.

**Solid Waste Guidelines**

- All items inside of the cart with lid closed
- Cart placed at the curb by 7:00am
- Maintain 4 feet of space around the cart
- Do not overfill cart and no bags on top of lid or on the ground

**Yard Waste Guidelines**

- Grass clippings, leaves, tree trimmings, branches or other general yard waste
- Bags/Bundles weighing less than 40 lbs
- Brush/Limbs/Clean fence boards bundled in 4 feet lengths
- Yard waste can be placed within your cart if it fits with the lid closed
- No large timbers or large fence pickets with nails

**Bulky/Heavy Waste Guidelines**

- Limited to 2 bulky items or 4 cubic yards per collection day
- General household items such as appliances and furniture
- Remove refrigerant/freon and doors from refrigerators/freezers and place tag on item from a professional
- No construction debris, hazardous waste, or dead animals

**Holiday Schedule**

- Thanksgiving Day
- Christmas Day
- New Year's Day

Trash that is not picked up due to holiday will be recovered the following day.
