City Wide Assessment

Wharton, TX, May 30, 2017

The City of Wharton is partnering with GrantWorks to conduct a city wide assessment of homes, streets, storm drains and recreation or open spaces as it works to develop its Master Comprehensive Plan. The assessments will begin Tuesday, June 6th through Thursday, June 8th and be conducted by GrantWorks. You may see two (2) dark gray vehicles driving slowly throughout all neighborhoods of the city. Please do not be alarmed as the company is only surveying and mapping the city for possible future projects. A photograph of each home will be taken from the vehicle.

Additional information may be obtained from the City of Wharton website at:
