**Wharton County, TX, Saturday, June 27, 2020 1200 hours**

Wharton County Office of Emergency Management has received a report today from the Texas Department of State Health Services that we have **eighteen (18)** new positive cases of COVID-19 and **zero (0)** new recoveries to report.

The total who have tested positive for COVID-19 is now **one hundred sixty-three (163)** in Wharton County and we have had **sixty (60)** reported cases who have recovered and sadly, one death. Wharton County has **one hundred two (102)** active COVID-19 cases.

The recent upward trend in positive cases means we **must** remain diligent in our social-distancing and hygiene efforts. Now is not the time to let up on our social-distancing practices! **Take personal responsibility** and **do your part** to slow the spread of this disease. Continue to avoid crowds, wear masks when it is recommended or you feel it is in your best interest to do so, and use good common sense when out in the community to avoid spreading disease. This increase in the spread of the virus can be curtailed by our actions.

**WE MUST TAKE PREVENTATIVE ACTIONS NOW TO SLOW THE SPREAD OF COVID-19!**

The distribution of the confirmed cases are as follows:

Cities:	Gender:	Age Groups
Boling 6	Male 72	0-20 14
East Bernard 18	Female <u>91</u>	21-40 65
El Campo 79	163	41-60 53
Glen Flora 1		61+ <u>31</u>
Hungerford 4		163
Louise 4		
Wharton <u>51</u>		
163
