Honorable Mayor and City Council
120 East Caney
Wharton, Texas 77488

Honorable Mayor and City Councilmembers:

Forwarded herewith in accordance with the City Charter is the Fiscal Year 2024-2025 Adopted Annual Budget. The FY2025 adopted budget maintains existing service levels and implements budget requests and priorities identified during the budget process with the City Council. The budget document is the result of considerable work by the City staff, Mayor, and City Council, all who provided the necessary input to balance the budget.

There were many challenges to overcome, but a voter property tax rate of \$0.43663 was used in preparing the adopted budget. The adopted budget for the water and sewer utility fund includes an increase of ten (10) percent to utility services. The 2025 overall budget of \$21,693,361 is \$539,142 more than the 2023-2024 budget.

MAJOR INITIATIVES

The City's most important initiative continues to be to provide flood reduction improvements in the City. Due to the securing of \$127 million from the United States Army Corp of Engineers (USACE), for the construction phase of Phase I of the flood reduction project, the project is in progress and is scheduled for completion in March 2025. Phase II is currently in the final design stage and USACE is coordinating with the Cost Control Board (CCB) to determine if federal funds are available for Phase II of the overall project. The City will be responsible for all maintenance and costs associated with the levee(s) for all future years and must plan accordingly in order to comply with USACE standards which will be in force.

Another major initiative within the City is the FM 1301 Extension and Overpass Project. Texas Department of Transportation (TxDOT), the City, and the Wharton Economic Development Corporation are working together through an advance funding agreement for the FM1301 Extension and Overpass Project. The project began in March of 2023 and completion of this project is scheduled for Fall of 2024.

The City has received a grant to incorporate 3.5 miles of new sidewalks throughout the city. Surveying and engineering design of the project began August 19, 2024, and the completion date of this project is anticipated to be Spring of FY2026.

Texas Department of Transportation (TxDOT) is upgrading Business Highway 59 to Interstate 69 standards. A groundbreaking for this improvement was held on May 22, 2024. Utility relocations are being performed and should be completed by Fall 2024. The completion date of this project is anticipated to be in FY2029. The enhancement of this roadway should increase the availability of economic development within this area of the City and ETJ.

The City has entered into a major housing development through the use of a Tax Increment Reinvestment Zone (TIRZ) for a subdivision with approximately 223 homes. Homes are currently being built and will continue through FY2025.

The City has identified infrastructure improvements to the utility department, street department, and the municipal airport. The City is actively pursuing other grant opportunities for both housing and infrastructure. The City will continue to work with developer(s) willing to invest their capital in the City of Wharton and work towards completion of ongoing projects funded through both Federal and State funds which will keep the burden of the cost off of the local taxpayers.

FINANCIAL AND ECONOMIC OUTLOOK

For FY2025, the City's financial outlook continues to remain steady. Sales tax revenue has shown an improvement compared to FY2024.

As part of the American Rescue Plan Act (ARPA), the City has received 100% of their allocated \$2M in funding as a non-entitlement entity. The funds are restricted for Covid-19 related expenses as well as water, wastewater and broadband infrastructure projects. The City has prioritized the use of these funds and projects have been identified. The majority of the projects will be authorized by December 2024.

The City has also been allotted \$4,360,800 through the Houston Galveston Area Council (HGAC) from the Texas Community Development Block Grant Mitigation (CDBG-MIT). The application was submitted on January 9, 2023, and multiple requests for information (RFI) have been submitted. The City is pending any further requests for information or approval of the submission.

Adopted revenues for all funds total \$21,693,361 which does not include transfers since transfers do not meet the definition of revenue. The following table reflects budgeted revenues for the 2023-24 fiscal year with the 2024-25 budget for comparison:

SPECIAL REVENUE FUNDS

The City budgets for three special revenue funds - the PEG fund, the Hotel/Motel Fund and the Seizure Fund.

The PEG (Public, Educational and Government access television) Fund is supported through a 1% franchise fee through the local cable provider. As mandated by State law, these funds can only be used on PEG facilities/capital costs. The total revenue is budgeted at \$1,500 while expenditures for facilities/capital cost also total \$1,500.

The Hotel/Motel is used to account for revenues generated from the City's 7% Hotel/Motel Occupancy tax and the related uses in compliance with the City Charter and expended in compliance with State Laws for the promotion of the tourism and convention industry. The total revenue is budgeted at \$295,952. The expenditures also total \$295,952 with \$228,952 being transferred to the Civic Center operations, \$7,000 being transferred to the Rail Road Depot, \$50,000 being transferred to the Wharton Chamber of Commerce.

The Narcotics/Seizure Fund is used to account for the resources and uses of assets seized in illegal narcotics activities. The uses are limited to law enforcement activities and must be made in compliance with applicable state and federal regulations. The adopted budget includes total revenue of \$4,700 with expenditures for operations being \$4,700.

DEBT SERVICE

The Debt Service Fund includes \$2,596,963 of revenues, which is generated from \$2,252,963 of current ad valorem taxes, \$27,000 from delinquent taxes and penalties, \$10,000 from interest & Miscellaneous income, \$150,000 from Wharton Economic Development, and \$157,000 as a Transfer-In. Appropriations total \$2,557,963 which include \$2,235,719 for principal, \$317,244 for interest payments and \$5,000 for service charges.

CAPITAL IMPROVEMENT FUND

The Capital Improvement Fund is funded from the Water/Sewer Fund which is used to fund street and drainage improvements. The adopted budget includes funding for street or drainage improvements for the 2024-2025 fiscal year in the amount of \$100,000.

ENTERPRISE FUNDS

There are five enterprise funds for the 2025 fiscal year. This reporting approach gives the Mayor and City Council and citizens a better view of financial operations for the water and sewer, solid waste, emergency medical services, civic center and airport operations.

The Water and Sewer Fund provides for the delivery, billing and collection of water and sewer services provided throughout the City. Revenues are projected at \$6,457,886. The Water and Sewer appropriations are \$3,234,572 which includes administrative costs of \$256,052, planning costs of \$189,521, water operations of \$1,813,397, and sewer operations of \$1,176,975. Additional costs for the Water and Sewer Fund include a transfers-out to the General Fund of \$1,160,975 for administrative costs from the departments of Mayor and Council, City Manager, City Secretary, Legal and Professional Services, Finance, Central Services, Code Enforcement, Community Services Coordinator, Emergency Management, and Garage. The administrative costs are allocated at 58%. Also, the water/sewer fund will

transfer \$100,000 to the Capital Improvement fund for street and drainage improvements. The amount appropriated for depreciation is \$624,020 with interest expense being \$241,079. This amount of depreciation will allow the fund to build reserves for the capital needs in the future. The Water Sewer Fund will also transfer \$30,000 to the General Fund to reduce the outstanding payable.

The Solid Waste Fund is established to account for the billing, collecting and expenditures associated with the City's contract for solid waste services with Green for Life. The fund is budgeted at \$1,800,218 in revenue. Appropriations of \$1,800,218 include \$92,044 of franchise taxes to the General Fund and \$62,041 to provide a full-time employee for City beautification efforts.

The Emergency Medical Services Fund is established to account for the sources and uses of funds generated from providing ambulance and emergency medical services. Revenues from user fees are budgeted at \$956,500. Additionally, the Wharton County Emergency Services District No. 3 was authorized by the voters to provide EMS services in East Wharton County. The District will fund \$2,353,093 to the City to provide the EMS service through an Interlocal agreement. Appropriations are budgeted at \$3,339,593 which includes \$98,412 transferred out to the General Fund for Dispatch Services.

The Civic Center Fund accounts for the resources and uses of the Wharton Civic Center. The fund will operate on \$349,157, which includes \$84,851 from user fees, \$228,952 in transfers from the Hotel/Motel Fund and \$34,779 in transfers from the General Fund. Expenses total \$349,157.

The Airport Fund is established to account for sources and uses of airport operations. The adopted budget includes \$419,969 in revenues. Appropriations are budgeted at \$419,969 of which \$271,054 for personnel and airport operations, \$125,250 is for depreciation and \$23,665 in interest payments.

PERSONNEL

The adopted budget includes 111 full-time positions for the 2024-2025 fiscal year.

The City's total base payroll for the year is estimated at approximately \$6.2 million. The City will continue to cover 100% of full-time employees' health benefits with the City experiencing a 12.6% decrease in contributions to the TML Multi-State Intergovernmental Employee Benefit Pool, and 2.5% increase in contributions to the Texas Municipal Retirement System (TMRS).

FUTURE CONCERNS

Though this Budget primarily addresses the upcoming fiscal year, much consideration has been given to the City's financial condition for future years. Important issues that will impact future City Budgets include:

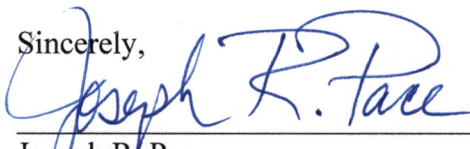

- Passing of Senate Bill 2, the Texas Property Tax Reform and Transparency Act by the Texas Legislature lowering the tax rate that a municipality can adopt without a mandatory election
- Improving the City's aging infrastructure to address growth, including water, wastewater and street improvements.
- Providing for a long-term sustainable employee base.
- Address municipal facility upgrades, rehabilitation, and enhancements.
- Erosion of municipal authority from statutory changes made by the Texas Legislature concerning annexation, appraisal caps, expenditure ceilings, and revenue limits.
- Housing development.
- Commercial development along the I-69 corridor.

CONCLUSION

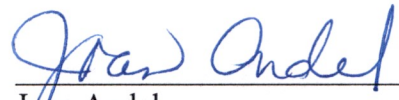

The 2024-2025 adopted budget is a significant document as it sets forth the financial plan for the next year. The primary goal was to balance the budget(s) while continuing to maintain service levels without eliminating any positions that are currently filled by employees of the City.

This budget has been prepared and presented with the efforts of the Mayor and City Council and all departments and their assistance is appreciated.

Sincerely,

 Joseph R. Pace
 City Manager

GENERAL INFORMATION: Tax Code Section 26.04(c) requires an officer or employee designated by the governing body to calculate the no-new-revenue (NNR) tax rate and voter-approval tax rate for the taxing unit. These tax rates are expressed in dollars per \$100 of taxable value calculated. The calculation process starts after the chief appraiser delivers to the taxing unit the certified appraisal roll and the estimated values of properties under protest. The designated officer or employee shall certify that the officer or employee has accurately calculated the tax rates and used values shown for the certified appraisal roll or certified estimate. The officer or employee submits the rates to the governing body by Aug. 7 or as soon thereafter as practicable.

School districts do not use this form, but instead use Comptroller Form 50-859 *Tax Rate Calculation Worksheet, School District without Chapter 313 Agreements* or Comptroller Form 50-884 *Tax Rate Calculation Worksheet, School District with Chapter 313 Agreements*.

Water districts as defined under Water Code Section 49.001(1) do not use this form, but instead use Comptroller Form 50-858 *Water District Voter-Approval Tax Rate Worksheet for Low Tax Rate and Developing Districts* or Comptroller Form 50-860 *Developed Water District Voter-Approval Tax Rate Worksheet*.

The Comptroller's office provides this worksheet to assist taxing units in determining tax rates. The information provided in this worksheet is offered as technical assistance and not legal advice. Taxing units should consult legal counsel for interpretations of law regarding tax rate preparation and adoption.

SECTION 1: No-New-Revenue Tax Rate

The NNR tax rate enables the public to evaluate the relationship between taxes for the prior year and for the current year based on a tax rate that would produce the same amount of taxes (no new taxes) if applied to the same properties that are taxed in both years. When appraisal values increase, the NNR tax rate should decrease.

The NNR tax rate for a county is the sum of the NNR tax rates calculated for each type of tax the county levies.

While uncommon, it is possible for a taxing unit to provide an exemption for only maintenance and operations taxes. In this case, the taxing unit will need to calculate the NNR tax rate separately for the maintenance and operations tax and the debt tax, then add the two components together.

SECTION 2: Voter-Approval Tax Rate

The voter-approval tax rate is the highest tax rate that a taxing unit may adopt without holding an election to seek voter approval of the rate. The voter-approval tax rate is split into two separate rates:

- Maintenance and Operations (M&O) Tax Rate:** The M&O portion is the tax rate that is needed to raise the same amount of taxes that the taxing unit levied in the prior year plus the applicable percentage allowed by law. This rate accounts for such things as salaries, utilities and day-to-day operations.
- Debt Rate:** The debt rate includes the debt service necessary to pay the taxing unit's debt payments in the coming year. This rate accounts for principal and interest on bonds and other debt secured by property tax revenue.

The voter-approval tax rate for a county is the sum of the voter-approval tax rates calculated for each type of tax the county levies. In most cases the voter-approval tax rate exceeds the no-new-revenue tax rate, but occasionally decreases in a taxing unit's debt service will cause the NNR tax rate to be higher than the voter-approval tax rate.

SECTION 3: NNR Tax Rate and Voter-Approval Tax Rate Adjustments for Additional Sales Tax to Reduce Property Taxes

Cities, counties and hospital districts may levy a sales tax specifically to reduce property taxes. Local voters by election must approve imposing or abolishing the additional sales tax. If approved, the taxing unit must reduce its NNR and voter-approval tax rates to offset the expected sales tax revenue.

This section should only be completed by a county, city or hospital district that is required to adjust its NNR tax rate and/or voter-approval tax rate because it adopted the additional sales tax.

SECTION 4: Voter-Approval Tax Rate Adjustment for Pollution Control

A taxing unit may raise its rate for M&O funds used to pay for a facility, device or method for the control of air, water or land pollution. This includes any land, structure, building, installation, excavation, machinery, equipment or device that is used, constructed, acquired or installed wholly or partly to meet or exceed pollution control requirements. The taxing unit's expenses are those necessary to meet the requirements of a permit issued by the Texas Commission on Environmental Quality (TCEQ). The taxing unit must provide the tax assessor with a copy of the TCEQ letter of determination that states the portion of the cost of the installation for pollution control.

This section should only be completed by a taxing unit that uses M&O funds to pay for a facility, device or method for the control of air, water or land pollution.

SECTION 5: Voter-Approval Tax Rate Adjustment for Unused Increment Rate

The unused increment rate is the rate equal to the sum of the prior 3 years Foregone Revenue Amounts divided by the current taxable value.³⁹ The Foregone Revenue Amount for each year is equal to that year's adopted tax rate subtracted from that year's voter-approval tax rate adjusted to remove the unused increment rate multiplied by that year's current total value.⁴⁰

The difference between the adopted tax rate and adjusted voter-approval tax rate is considered zero in the following scenarios:

- a tax year in which a taxing unit affected by a disaster declaration calculates the tax rate under Tax Code Section 26.042;⁴¹
- a tax year in which the municipality is a defunding municipality, as defined by Tax Code Section 26.0501(a);⁴² or
- after Jan. 1, 2022, a tax year in which the comptroller determines that the county implemented a budget reduction or reallocation described by Local Government Code Section 120.002(a) without the required voter approval.⁴³

This section should only be completed by a taxing unit that does not meet the definition of a special taxing unit.⁴⁴

SECTION 6: De Minimis Rate

The de minimis rate is the rate equal to the sum of the no-new-revenue maintenance and operations rate, the rate that will raise \$500,000, and the current debt rate for a taxing unit.⁴⁴ This section should only be completed by a taxing unit that is a municipality of less than 30,000 or a taxing unit that does not meet the definition of a special taxing unit.⁴⁵

SECTION 7: Voter-Approval Tax Rate Adjustment for Emergency Revenue Rate

In the tax year after the end of the disaster calculation time period detailed in Tax Code Section 26.042(a), a taxing unit that calculated its voter-approval tax rate in the manner provided for a special taxing unit due to a disaster must calculate its emergency revenue rate and reduce its voter-approval tax rate for that year.⁴⁶

Similarly, if a taxing unit adopted a tax rate that exceeded its voter-approval tax rate, calculated normally, without holding an election to respond to a disaster, as allowed by Tax Code Section 26.042(d), in the prior year, it must also reduce its voter-approval tax rate for the current tax year.⁴⁹

This section will apply to a taxing unit other than a special taxing unit that:

- directed the designated officer or employee to calculate the voter-approval tax rate of the taxing unit in the manner provided for a special taxing unit in the prior year; and
- the current year is the first tax year in which the total taxable value of property taxable by the taxing unit as shown on the appraisal roll for the taxing unit submitted by the assessor for the taxing unit to the governing body exceeds the total taxable value of property taxable by the taxing unit on January 1 of the tax year in which the disaster occurred or the disaster occurred four years ago. This section will apply to a taxing unit in a disaster area that adopted a tax rate greater than its voter-approval tax rate without holding an election in the prior year.

Note: This section does not apply if a taxing unit is continuing to calculate its voter-approval tax rate in the manner provided for a special taxing unit because it is still within the disaster calculation time period detailed in Tax Code Section 26.042(a) because it has not met the conditions in Tax Code Section 26.042(a)(1) or (2).
