Honorable Mayor and City Council
120 East Caney
Wharton, Texas 77488

Honorable Mayor and City Councilmembers:

Forwarded herewith in accordance with the City Charter is the Fiscal Year 2025-2026 Adopted Annual Budget. The Fiscal Year 2026 adopted budget maintains existing service levels and implements budget requests and priorities identified during the budget process with the City Council. The budget document is the result of considerable work by the City Staff, Mayor, and City Council, all of whom provided the necessary input to balance the budget.

There were many challenges to overcome, but a voter-approval property tax rate of \$0.42411 was used in preparing the adopted budget. The adopted budget for the water and sewer utility fund includes an increase of ten (10) percent to utility services. The 2026 overall budget of \$23,453,634 is \$1,760,273 more than the 2024-2025 budget.

MAJOR INITIATIVES

The City's most important initiative is to provide and improve flood reduction in the City. Thus, through working with the United States Army Corps of Engineers (USACE) the City has secured \$127 million for the construction of the Phase I levee project with a completion date scheduled for January 2026. Furthermore, the levee project, Phase II, is ninety-nine (99) percent designed, and with continued support from USACE, the City has secured an additional \$234 million to complete the overall levee project. The City will be responsible for all maintenance and costs associated with the levee(s) for all future years and must plan accordingly in order to comply with USACE standards, which will be in force.

The Texas Department of Transportation (TxDOT) is conducting a major upgrade of State Highway 59 into Interstate 69 through the City of Wharton with an anticipated completion date in Fiscal Year 2029. The completion of this interstate should increase the availability of economic development within this area of the City and the extraterritorial jurisdiction. The City was also awarded a Transportation Alternative grant from TxDOT to construct 3.5 miles of sidewalks throughout the City. At this time, TxDOT is seeking bids for construction, and the tentative completion date of this project is projected to be the first quarter of Fiscal Year 2027.

The City, for the first time in the City's history, approved and adopted a Tax Increment Reinvestment Zone (TIRZ) and a second Public Improvement District (PID) for a new subdivision of approximately 223 homes. With strong home sales in Phase I, the developer

quickly began construction of Phase II. The developer, happy with the progress of the subdivision, continues to look for more development opportunities within the City of Wharton.

The City has identified infrastructure improvements to the utility department, street department, and the municipal airport. The City will continue to work with developer(s) willing to invest their capital in the City of Wharton and work towards completion of ongoing projects funded through both Federal and State funds, which will keep the burden of the cost off of the local taxpayers.

FINANCIAL AND ECONOMIC OUTLOOK

For Fiscal Year 2026, the City's financial outlook continues to remain steady. Building Permits have increased in Fiscal Year 2025 compared to Fiscal Year 2024, and should continue to improve throughout Fiscal Year 2026 due to the new subdivision development. Sales tax revenue has remained steady in Fiscal Year 2025 compared to Fiscal Year 2024, thus, we predict only a slight increase going into Fiscal Year 2026.

The City has also been allotted \$4,360,800 through the Houston-Galveston Area Council (HGAC) from the Texas Community Development Block Grant Mitigation (CDBG-MIT). This project is currently under design to rework and/or rehabilitate Wastewater Treatment Plant #1.

SPECIAL REVENUE FUNDS

The City budgets for three special revenue funds - the PEG fund, the Hotel/Motel Fund and the Seizure Fund.

As mandated by State law, these funds can only be used on PEG facilities/capital costs. The total revenue is budgeted at \$1,200 while expenditures for facilities/capital cost also total \$1,200.

The Hotel/Motel is used to account for revenues generated from the City's 7% Hotel/Motel Occupancy tax and the related uses in compliance with the City Charter and expended in compliance with State Laws for the promotion of the tourism and convention industry. CAPITAL IMPROVEMENT FUND

The Capital Improvement Fund is funded from the Water/Sewer Fund which is used to fund street and drainage improvements. The adopted budget includes funding for street or drainage improvements in the amount of \$100,000 for the 2025-2026 fiscal year.

ENTERPRISE FUNDS

There are five enterprise funds for the 2026 fiscal year. This reporting approach gives the Mayor and City Council and citizens a better view of financial operations for the water and sewer, solid waste, emergency medical services, civic center and airport operations.

The Water and Sewer Fund provides for the delivery, billing and collection of water and sewer services provided throughout the City. Revenues are projected for Fiscal Year 2026 at \$7,309,062. The Water and Sewer appropriations are \$3,715,598 which includes administrative costs of \$265,442, planning costs of \$199,205, water operations of \$1,976,708, and sewer operations of \$1,274,243. Additional costs for the Water and Sewer Fund include a transfers-out to the General Fund of \$1,397,770 for administrative costs from the departments of Mayor and Council, City Manager, City Secretary, Legal and Professional Services, Finance, Central Services, Code Enforcement, Community Services Coordinator, Emergency Management, and Garage. Also, the Water/Sewer fund will transfer \$100,000 to the Capital Improvement fund for street and drainage improvements. The amount appropriated for capital outlay is \$233,583 with depreciation being \$624,020 and interest expense being \$236,873. This amount of depreciation will allow the fund to build reserves for the capital needs in the future.

The Solid Waste Fund is established to account for the billing, collection and expenditures associated with the City's contract for Solid Waste services with Green for Life (GFL). The fund is budgeted at \$1,903,690 in revenue. Appropriations of \$1,903,690 include \$94,900 of franchise taxes to the General Fund, \$62,582 to provide a full-time employee for City beautification efforts. Also, the solid waste fund will transfer \$100,000 to the General Fund for street and drainage improvements

The Emergency Medical Services Fund is established to account for the sources and uses of funds generated from providing ambulance and emergency medical services. Revenues from user fees are budgeted at \$1,257,396. Additionally, the Wharton County Emergency Services District No. 3 was authorized, by the voters, to provide EMS services in East Wharton County. Through an interlocal agreement, the District will fund \$2,374,046 to the City to provide the

EMS service. Appropriations are budgeted at \$3,671,422 which includes \$156,000 transferred out to the General Fund for Dispatch Services.

The Civic Center Fund accounts for the resources and uses of the Wharton Civic Center. The fund will operate on \$428,280, which includes \$84,851 from user fees, \$288,952 in transfers from the Hotel/Motel Fund and \$53,902 in transfers from the General Fund. Expenses for Fiscal Year 202 total \$428,280.

The Airport Fund is established to account for sources and uses of airport operations. The adopted budget includes \$420,800 in revenues. Appropriations are budgeted at \$420,800 of which \$274,175 for personnel and airport operations, \$125,250 is for depreciation and \$21,375 in interest payments.

PERSONNEL

The adopted budget includes 114 full-time positions for the 2025-2026 fiscal year. The City's total base payroll for the year is estimated at approximately \$6.39 million. The City will continue to cover 100% of full-time employees' health benefits with the City experiencing a 2.0% increase in contributions to the TML Multi-State Intergovernmental Employee Benefit Pool, and 0.59% increase in contributions to the Texas Municipal Retirement System (TMRS).

FUTURE CONCERNS

Though this Budget primarily addresses the upcoming fiscal year, much consideration has been given to the City's financial condition for future years. Important issues that will impact future City Budgets include:

- Passing of Senate Bill 2, the Texas Property Tax Reform and Transparency Act by the Texas Legislature lowering the tax rate that a municipality can adopt without a mandatory election
- Improving the City's aging infrastructure to address growth, including water, wastewater and street improvements.
- Providing for a long-term sustainable employee base.
- Address municipal facility upgrades, rehabilitation, and enhancements.
- Erosion of municipal authority from statutory changes made by the Texas Legislature concerning annexation, appraisal caps, expenditure ceilings, and revenue limits.
- Housing development.
- Commercial development along the I-69 corridor.

CONCLUSION

The Fiscal Year 2025-2026 adopted budget is a significant document as it sets forth the financial plan for the next year. The primary goal was to balance the overall budget while continuing to maintain service levels without eliminating any positions currently filled by employees of the City of Wharton.

This budget has been prepared and presented with the efforts of the Mayor and City Council and all departments and their assistance is appreciated.

Sincerely,

Joseph R. Pace

GENERAL INFORMATION: Tax Code Section 26.04(c) requires an officer or employee designated by the governing body to calculate the no-new-revenue (NNR) tax rate and voter-approval tax rate for the taxing unit. These tax rates are expressed in dollars per \$100 of taxable value calculated. The calculation process starts after the chief appraiser delivers to the taxing unit the certified appraisal roll and the estimated values of properties under protest. The designated officer or employee shall certify that the officer or employee has accurately calculated the tax rates and used values shown for the certified appraisal roll or certified estimate. The officer or employee submits the rates to the governing body by Aug. 7 or as soon thereafter as practicable.

School districts do not use this form, but instead use Comptroller Form 50-859 *Tax Rate Calculation Worksheet, School District without Chapter 313 Agreements* or Comptroller Form 50-884 *Tax Rate Calculation Worksheet, School District with Chapter 313 Agreements*.

Water districts as defined under Water Code Section 49.001(1) do not use this form, but instead use Comptroller Form 50-858 *Water District Voter-Approval Tax Rate Worksheet for Low Tax Rate and Developing Districts* or Comptroller Form 50-860 *Developed Water District Voter-Approval Tax Rate Worksheet*.

The Comptroller's office provides this worksheet to assist taxing units in determining tax rates. The information provided in this worksheet is offered as technical assistance and not legal advice. Taxing units should consult legal counsel for interpretations of law regarding tax rate preparation and adoption.

SECTION 1: No-New-Revenue Tax Rate

The NNR tax rate enables the public to evaluate the relationship between taxes for the prior year and for the current year based on a tax rate that would produce the same amount of taxes (no new taxes) if applied to the same properties that are taxed in both years. When appraisal values increase, the NNR tax rate should decrease.

The NNR tax rate for a county is the sum of the NNR tax rates calculated for each type of tax the county levies.

While uncommon, it is possible for a taxing unit to provide an exemption for only maintenance and operations taxes. In this case, the taxing unit will need to calculate the NNR tax rate separately for the maintenance and operations tax and the debt tax, then add the two components together.

SECTION 2: Voter Approval Tax Rate

The voter-approval tax rate is the highest tax rate that a taxing unit may adopt without holding an election to seek voter approval of the rate. The voter-approval tax rate is split into two separate rates:

- Maintenance and Operations (M&O) Tax Rate:** The M&O portion is the tax rate that is needed to raise the same amount of taxes that the taxing unit levied in the prior year plus the applicable percentage allowed by law. This rate accounts for such things as salaries, utilities and day-to-day operations.
- Debt Rate:** The debt rate includes the debt service necessary to pay the taxing unit's debt payments in the coming year. This rate accounts for principal and interest on bonds and other debt secured by property tax revenue.

The voter-approval tax rate for a county is the sum of the voter-approval tax rates calculated for each type of tax the county levies. In most cases the voter-approval tax rate exceeds the no-new-revenue tax rate, but occasionally decreases in a taxing unit's debt service will cause the NNR tax rate to be higher than the voter-approval tax rate.

Cities, counties and hospital districts may levy a sales tax specifically to reduce property taxes. Local voters by election must approve imposing or abolishing the additional sales tax. If approved, the taxing unit must reduce its NNR and voter-approval tax rates to offset the expected sales tax revenue.

SECTION 4: Voter Approval Tax Rate Adjustment for Pollution Control

A taxing unit may raise its rate for M&O funds used to pay for a facility, device or method for the control of air, water or land pollution. This includes any land, structure, building, installation, excavation, machinery, equipment or device that is used, constructed, acquired or installed wholly or partly to meet or exceed pollution control requirements. The taxing unit's expenses are those necessary to meet the requirements of a permit issued by the Texas Commission on Environmental Quality (TCEQ). The taxing unit must provide the tax assessor with a copy of the TCEQ letter of determination that states the portion of the cost of the installation for pollution control.

SECTION 5: Voter Approval Tax Rate Adjustment for Unused Increment Rate

The unused increment rate is the rate equal to the sum of the prior 3 years Foregone Revenue Amounts divided by the current taxable value.⁴² The Foregone Revenue Amount for each year is equal to that year's adopted tax rate subtracted from that year's voter-approval tax rate adjusted to remove the unused increment rate multiplied by that year's current total value.⁴³

The difference between the adopted tax rate and adjusted voter-approval tax rate is considered zero in the following scenarios:

- a tax year in which a taxing unit affected by a disaster declaration calculates the tax rate under Tax Code Section 26.042;⁴⁴
- a tax year in which the municipality is a defunding municipality, as defined by Tax Code Section 26.0501(a);⁴⁵ or
- after Jan. 1, 2022, a tax year in which the comptroller determines that the county implemented a budget reduction or reallocation described by Local Government Code Section 120.002(a) without the required voter approval.⁴⁶

SECTION 7: Voter Approval Tax Rate Adjustment for Emergency Revenue Rate

In the tax year after the end of the disaster calculation time period detailed in Tax Code Section 26.042(a), a taxing unit that calculated its voter-approval tax rate in the manner provided for a special taxing unit due to a disaster must calculate its emergency revenue rate and reduce its voter-approval tax rate for that year.⁵⁰

Similarly, if a taxing unit adopted a tax rate that exceeded its voter-approval tax rate, calculated normally, without holding an election to respond to a disaster, as allowed by Tax Code Section 26.042(d), in the prior year, it must also reduce its voter-approval tax rate for the current tax year.⁵¹

This section will apply to a taxing unit other than a special taxing unit that:

- directed the designated officer or employee to calculate the voter-approval tax rate of the taxing unit in the manner provided for a special taxing unit in the prior year; and
- the current year is the first tax year in which the total taxable value of property taxable by the taxing unit as shown on the appraisal roll for the taxing unit submitted by the assessor for the taxing unit to the governing body exceeds the total taxable value of property taxable by the taxing unit on January 1 of the tax year in which the disaster occurred or the disaster occurred four years ago. This section will apply to a taxing unit in a disaster area that adopted a tax rate greater than its voter-approval tax rate without holding an election in the prior year.

Note: This section does not apply if a taxing unit is continuing to calculate its voter-approval tax rate in the manner provided for a special taxing unit because it is still within the disaster calculation time period detailed in Tax Code Section 26.042(a) because it has not met the conditions in Tax Code Section 26.042(a)(1) or (2).
